Subject: Re: Ambler DEIS - revised date for the release of the NOA for the Ambler DEIS

All,

We have been pushed back another week for the release of the DEIS for Ambler, we are now looking at the NOA going out on Aug 23rd. This date could change, I'll keep you posted. Our next cooperative agency meeting is August 13th.

Let me know if you have any questions.

Ambler EIS Cooperative Agency POC's,

We have had a slight delay in our schedule for the release of the Ambler DEIS. We are now looking at a NOA no sooner than August 16th for the Ambler DEIS. This would mean the 45 day public comment period would be from Aug 16 to Sep 30th.

I will keep you updated on this.

Thanks
